

At the February meeting, we had a great turnout of existing members and potential new members. We do hope that everyone enjoyed the networking opportunity and want to thank those individuals who came to promote their services and products. We would like to **thank Sensory Kidzone** who brought a range of interesting toys and activities as well as **Playsense/ Nanny and Me, Jacqui Cooper and Julia Noble** who brought promotional material. We hope to continue the network opportunities and promoting and raising awareness of the amazing talent and skills present in the association.
